Our lovely
GRT, Shela

Come be a part of a close-knit and chill community. Whether you need help from our resident genius on 8.01, a workout buddy, or someone to watch The Twilight Zone with you, you'll always find people up for a great time! But we also pride ourselves on being the most relaxed of the entries—a night in with Netflix is just as good as our outings to Chinatown, cupcakes from Newbury, and Tosci runs.
