

# GENTRY

Welcome to G-entry, a place of late-night gaming, construction, and general tomfoolery! We are colloquially referred to as "gents".

Some of our activities include:

- Staying up all night
- Smesh (Super Smash Bros. Melee)
- League
- Cooking and baking
- Fancy Fridays
- Watching absurd Youtube videos
- Meat fest
- Exploring restaurants
- Hanging with H-Entry
- IM sports
- Late night MacCon/Verdes runs
- Workout Buddies
- Answering surveys!:  
Fill in the blank: she got a big booty so I call her \_\_\_\_  
Is a hotdog a sandwich?  
Team manbun or team fro?

Of course, our interests aren't limited to the above; we span the whole spectrum of personalities, from nocturnal builders to studious bakers. Odds are, at any time of day (or night) you'll find people awake having a good time. Our doors are always open!
