

# BIKE RULES

1. Bike Storage will be open 24/7, but no video recording or monitoring system exists currently. USE AT YOUR OWN RISK.
2. Bike Storage is currently for the use of MacG residents only. Access will be granted by your MIT ID. As always, MacGregor security rules apply: always tap in, and don't let other people in without them tapping in either.
3. All persons using the facility agree to do so at their own risk. Bicycle locks are highly suggested to secure bikes stored in the room. Locks will not be provided.
4. Only store bicycles on the racks. Don't block the entrance to Bike Storage or leave your bike in the way of others entering or exiting the area or using the adjacent racks.
5. Smoking is not permitted in the Bicycle Storage Room.
6. Report any suspicious activity, vandalism or damage to building security immediately.
7. Be very mindful of the Bike repair equipment - this is for the entire MacG community. Bikes left on the repair rack are subject to immediate removal.
8. Please help maintain this \*very new\* facility by being as clean as possible - don't leave trash or garbage around. Report any problems to the bike chair [mac-bike@mit.edu](mailto:mac-bike@mit.edu) and/or Bob Ramsay ([bramsay@mit.edu](mailto:bramsay@mit.edu)).
