

## **A Entry – “Cause we like it on top”**

### **Our people**

We are a diverse group of people, from many different parts of the world. Our interests range from various sports (lacrosse, crew, soccer) to all types of music (rock band, classical music).

### **Activities**

We like to go out to parties, restaurants, movies, or even the mall together. We also do outdoorsy stuff like soccer and sailing, and snowboarding/skiing.

When we stay in, we occasionally bake awesome pies and cakes and then stuff ourselves full of deliciousness. We also sometimes challenge each other to a game of Super Smash Bros. Most of our weeknights are interspersed with MacCon runs.

Staple study breaks include: milk and cookies, pizza (so much za!), FroYo.

### **A Entry traditions**

- Home-cooked (better than your grandma's!) Thanksgiving meal.

- Annual surf trip (so much fresh gnar!).

- Derby pie for EVERY special (and non-special) occasion. Because there ain't nothin' better than a Derby pie cooked by a Kentucky-bred hillbilly.

### **Some numbers**

A third of our entry is course 6 (EECS). Other courses include: 4, 8, 9, 10, 16, 18, 20. Our entry is 60% sophomores, 20% juniors and 20% seniors.

**2016s retention rate:** 45%

**Cleanliness:** on a scale of 1 to clean, we're pretty clean
