

CENTRY - Do your own thang.

In general we're pretty quiet, and take pride in it.
Then again, a few of us like jamming sessions,
Others like scary movies,
And we have resident chefs (just about).
On weekends we whip out Netflix and watch Sherlock, Spongebob, or a movie on our projector.
Plus ¼ of people here are internationals – China, Brazil, Korea, Kazakhstan – or from different states. Forget the rainbow, TASTE THE WORLD.

And even if you don't live here, visit C Entry for free guitar lessons, free food, and people to laugh at stupid things with you.

C-sweet study break. It wasn't enough....JUST KIDDING.

Massages are fun. Almost...too fun
